

Prepared From Path Lesson

School: Lectio P09 Live School

Teacher: P09 Teacher

Date: 8 September 2026

Student Name: _____

Table of Contents

1. Raise the question of why some plants thrive while others droop, and establish that a plant's parts
2. Impose the three-part structure on the anchor so that roots, stem, and leaves are located, not me
3. Rehearse locating and naming the three parts on the anchor with location support still present.
4. Have the learner locate and name the three plant parts without the labelled cues.
5. Check whether the learner can identify and locate the three plant parts without scaffolding.

Native visuals are not ready for print. Retry visuals from Studio before exporting.
